

AFTER 2 YEARS FROM ITS LAUNCH, THE SUPER CLICKED **NATA** CHAIR HAS BECOME THE REAL ICON OF BONTEMPIS' DESIGN. THE RANGE HAS BEEN WIDENED BY INTRODUCING A **NEW** VERSION WITH **LACQUERED STEEL** LEGS. IN THIS NEW OPTION LEGS ARE NO LONGER COVERED, SO THAT YOU CAN APPRECIATE A METAL FINISHING. THAT IS A VERY GOOD SOLUTION FOR PEOPLE CONSIDERING THE UPHOLSTERED LEGS TOO FRAGILE FOR DAILY USE OR FOR PEOPLE WHO WANT TO MAKE THEIR CHAIR MORE ECLECTIC, THROUGH THE CONTRAST BETWEEN THE COLORS OF SHELL AND FRAME.
