## THE OCTOBER EDIT

### EASY ADDITION

Designed with comfort in mind, the Shape chair from Bontempi Casa would make both an elegant addition to a dining room or a smart choice for an office. It is available in varying shades of buttery leather hide and comes with or without armrests. Shape chair, £440. Bontempi Casa.

### COLOUR CLASS

Lick has joined forces with the team at *Livingetc* to create the Palette 01: Neo Deco pastels paint collection. With seven playful shades to choose from, this range is the perfect blend of both brands' love of being creative with colour. The hues have been designed to work harmoniously together, yet pack just as much punch on their own. We predict Purple 03, with its rich burgundy tones, will be a must-have for the season. Lick x *Livingetc* Collection, £38 for 2.5ltr, Lick.

### BRAND TO KNOW

Archive by Sanderson Design consists of decorative fabrics, wallpapers and homeware. The designs feature prints from Sanderson's 160-year history that have been reworked with a upbeat, contemporary twist. This is a brand that aims not to follow trends or conform to the rules, inviting us to be daring with design. From left: Golden Lily wallpaper in Pink Fizz, £150 a roll; Hyacinth wallpaper in Enchanted Green, £115 a roll; Fruit fabric in Paradise Blue, £199m, all Archive by Sanderson Design.

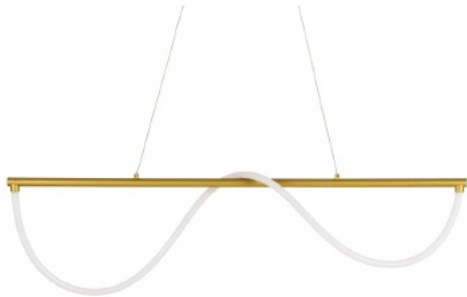

### VINTAGE VA VA VOOM

'Renditions of beloved classics' was Vaughan's mantra when designing the Ellisfield Collection of furniture and lighting. The standout piece is the Somborne table, which has notes of 1970s nostalgia that is still making waves this season. Somborne table, £1,044, Vaughan. →
